We've decided to have senior quotes in your yearbook this year! Quotes can't be inappropriate or offensive to other students (must be under 30 words). So please give us an appropriate quote that describes your 4 years in high school! If we can't read your handwriting or it is inappropriate, it will NOT be used.

QUOTE HERE:

What has been your favorite or most memorable moment of senior year this far and why?

What was your favorite moment of high school and why?
